Business Analyst at a tech vendor with 10,001+ employees

Detailed peer reviews have supported faster decision-making for our projects

Highlights

I primarily use PeerSpot for detailed reviews, which help my organization work quicker. I've used it for eight years and rate it a 10, though I believe its AI needs improvement and I'm unsure about its data governance.

What is our primary use case?

“My main use case for [PeerSpot](#) is reviews. I do not have a quick specific example of how I use reviews on [PeerSpot](#)..”

What is most valuable?

“PeerSpot's best features are reviews. What stands out to me about the reviews is the detail. PeerSpot has positively impacted my organization because we use them a lot. The frequent use of PeerSpot helps us work quicker..”

For how long have I used the solution?

“I have been using PeerSpot for eight years..”

What other advice do I have?

“I do not have anything else to add. I do not want to add more about the features. I do not want to add more about the needed improvements. Regarding PeerSpot's AI capabilities, I think the governance and security question is unclear and I have no idea what that means. I don't know how to answer whether I feel comfortable and safe with how PeerSpot handles my data and privacy. Regarding PeerSpot's AI capabilities, I don't think about the accuracy and reliability of output. I will move on to the next question about how PeerSpot is deployed in my organization. I don't know how different departments within my organization leverage the insights and content generated by PeerSpot. I give PeerSpot a rating of 10..”
